

# GMP PROTECTIVE COVERS

...Another Innovative Product  
from General Econopak, Inc.

*Developed to protect machines, equipment  
and carts where cGMP counts*

*Protects all Sizes of Equipment*

*Simplifies Conformance  
to SOPs*

*Reduces Cross-  
Contamination*

*Breathable -  
Allows Wet  
Surfaces to Dry*

*Lint-free,  
Anti-Static*

*Will Not Shed or  
Attract Particles*

*Form-Fitted*

*Designed to be Fast  
and Easy to Apply*

*Choose from a large selection of standard covers, or  
GEPCO will design covers to meet your specifications.*

GEPCO's GMP Protective Covers fit machines, equipment and carts in your production area. Made from strong, durable Tyvek®, covers are available in GEPCO's exclusive GMP print, in white or with a yellow poly-coating. While disposable, these covers are tough enough to be used many times before being replaced.
