

GEPCO

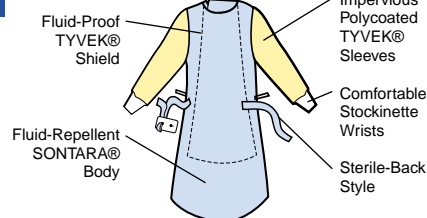

VETERINARY SURGICAL GOWNS

General Econopak's unique gowns for veterinary surgery provide the ultimate in comfort and protection. These strong, lightweight gowns are made from tear and puncture-resistant nonwoven materials. Options include a fluid-proof front shield and three types of full-length sleeves to provide the proper level of strike-through protection. All GEPCO gowns are consistently cut and generously sized for maximum comfort.

IMPERVIOUS "COLIC" GOWN
