

# VETERINARY SURGICAL PACKS

*Trouble-free surgical prep in one convenient package*

*"Designed by Veterinarians  
...for Veterinarians"*

## *...The FACTS about our PACKS*

*Enhances Quality and Consistency*

*Simplifies Supply Management*

*Improves Sterile Technique*

*Decreases Liability*

*Saves Staff Time*

*Reduces Autoclave Use*

One organized package contains everything needed for most surgical procedures. Sterility is assured and traceable to General Econopak's FDA registered facility. No autoclaving, patching, mending or inspecting required.

Try one of our Procedure Packs, or contact us to create a pack to support your personal needs.

*Please fill in the information below to request a sample Procedure Pack.*
